C Avg. weekly performance	4 Topics 1 Skill set
D Projected completion date 	December 1, 2018

My progress: Weekly Goal

Complete the program in time for your exam date by setting a weekly goal and tracking your performance against it throughout the program.

- A** View goal number of topics and skill sets you aim to complete on average per week.
- B** Click on the pencil icon to change your weekly goal. This will automatically affect your **projected completion date**.
- C** Your **average weekly performance** will continually update to reflect your actual performance as you progress through your current program level.
- D** Your **projected completion date** is calculated based on the number of topics and skill sets established in your weekly goal.

Weekly goal	6 Topics 1 Skill set	My over 7/70
Avg. weekly performance	4 Topics 1 Skill set	

A Current weekly goal

Your weekly goal has been set to **6 topics** and **1-2 skill sets** per week. At this pace your projected completion date is **December 18, 2018**.

This is the average pace most learners take in order to finish the program in 10 months. **You can always change your weekly goal from the Dashboard at anytime.**

Exam date

- A** Schedule your final exam date at any point through the course. We recommend to schedule an exam date after the first few months of taking the course.
- B** Once you have scheduled a final exam date it will always be shown here in your progress section of the dashboard.

Expand to view exam details

- C** Click view more to see important exam information such as location and time.

The screenshot shows a dashboard with two main sections. On the left, a vertical list of three skill set status indicators: 'Skill set not started' with an empty circle, 'Skill set in progress' with a half-filled circle, and 'Skill set completed' with a full green circle containing a white checkmark. On the right, a 'Current skill set' card. The card has a bookmark icon and the title 'Current skill set'. It features a green header 'Financial strategy' and a main title 'Formulation of financial strategy' (labeled A). Below this is a progress indicator (labeled B) and a description 'Evaluate financing requirements of an entity on shareholders & stakeholders.' (labeled C). At the bottom of the card is a purple button 'Continue learning →' (labeled D) and a 'More info' link. Below the card, there is a note: 'Or click View competency list to choose a different learning objective from the full list.' and a 'View competency list →' link.

Current skill set

Here is where you can easily get back to where you left off in the courseware. If you haven't started any of the courseware then a recommended skill set will appear here.

- A** This is the name of the competency.
- B** This green circle shows your skill set progress. In this example, the current skill set is in progress but has not been completed.
- C** This is the skill set name and describes what learning content will be covered.
- D** Click the continue learning button to dive into the courseware and view topics within this skill set.
